Dear STEP Member,

Saskatchewan Trade and Export Partnership (STEP) invite you to join us at the upcoming CTIA WIRELESS 2010 trade show and conference in Las Vegas, Nevada from March 23-25, 2010. CTIA WIRELESS 2010 is one of the largest and most important wireless technology events in the world covering the areas of:

1. Wireless and converged communications
2. Mobile internet
3. Computing
4. Mobile data

The CTIA WIRELESS event attracts over 40,000 industry professionals from over 80 countries. Featuring an exhibition with over 300,000 sq. ft. of exhibit space occupied by over 1,000 leading-edge technology providers representing a market worth over \$1 trillion, the CTIA show showcases the latest wireless industry technology, products and trends. From mobile technology to smart energy initiatives this event is the must attend event for any company interested or involved with wireless technology.

Join STEP as we network and establish contacts with some of the most dynamic technology companies in the world today and attend sessions featuring leading industry experts discussing the future of the industry. Don't miss out on this opportunity to get first hand experience and insight into the future of this vibrant sector and register today.

Complete event information can be located at www.ctiawireless.com.

In addition to the conference and exhibition, STEP will initiate networking opportunities where participating companies will be able to present their product or service to industry professionals interested in doing business with Saskatchewan companies.

To register join STEP at the International CTIA Wireless 2010 Trade Show and Conference please fill out the following form **no later than December 31, 2009 and fax back to STEP at (306) 787-6666.**
